I loved the opportunity of getting to see such lovely and talented performers

Great show! Simple and effective. Loved the improv and especially the 2nd half. Thanks for a fantastic night!

It was a wonderful cast and absolutely enjoyable. I'm so grateful you came to our little town for your last night.

As a traveller it was great to see entertainment of this quality entertaining remote areas.

Thank you for a fun, entertaining night! Appreciate the time and effort taken to bring live shows out west.

This was wonderful, there needs to more supporting these kind of things before we lose it

It was a lot of fun

Very entertaining. Love the way the team could play several characters so convincingly... and a good laugh

I thought you all did a great job, the music side was a bit boring.

Good fun, excellent, good actors. Should have more patrons. Visiting Winton and saw the flyer. Very impressive. In your flyer state age suitability 30-50 yrs. Take this off. Suitable for all ages even over 50 yr olds!!

Very professional and slick. Not from the west so was surprised and pleased to be in town for the show.

Awesome group! Even with our weird suggestions 😊

The production was fantastic! As young people in the town we LOVED every moment. I hope we get more productions like this.

Very entertaining, fun night... thank you!

The impro add a lot of fun and the actors are so quick with their wit - great night Thank you

Great fun! Sad the audience was small. Needed more publicity on show * fact that you could bring your food etc

Good energy. Talent. Better than Netflix- it's real.Real fiction and drama. Such a great thing for regional folks or anyone.

Found the performance cringy and slow.

Funny show, especially the second half. Needs more information in the poster about what it is about - I wasn't clear if it was a show or trivia night

Great performance and improv thanks

This was great! Theatre sports would also be fun!

Fuckin good show

From out of town. Did not know what to expect. Had a brilliant night. Absolutely hilarious

You were all brilliant x

The main performance was great but. I really loved the performances after the break. It showed the depth and skills of all the actors. Which I think all of audience appreciated by this laughter and trying to think of silly plots. Thank you for a great afternoon. I know others other community would have enjoyed it. But sadly there were two Other large functions on. The "Walt" is also called the OunkOyb"!

Very enjoyable show. Only feedback would be to have less language because we felt your show did not need it. Thank you!

Acting was amazing Really enjoyed the second half and how inclusive it was with the crowd

Absolutely loved it. Its not much to do out here, and things like this makes me have something to look forward to (im on a visa and are also counting the months, days, hours and minutes)🤔 Would love some more songs! But i also love musicals, i know not everybody is like that :p

27.6.2025. An enjoyable production. Thanks for bringing a live show to Roma. Some actors microphones a bit hit and miss. Especially enjoyed the interaction with the audience and the improvisations at the end.
